

AMERICAN CELEBRATION.

Efforts Centered Upon Ball and Literary Exercises.

The American Fourth of July Committee held another meeting last night at which there was quite a free expression of opinion and a further cutting down of the program to prevent interference with the Hawaiian Committee.

In consequence of the apparent desire of the organization to hold the athletic events at the ball grounds, instead of Independence Park, the American Committee withdrew its offer to use Independence Park and decided not to hold the usual picnic.

This summer the American celebration down to a ball on the evening of the 3d, salutes morning and evening of the Fourth, and literary exercises in the pavilion. The committee has decided to concentrate its energies on what amounts to two events and carry those through in the proper American style.

The time of holding the literary exercises has not been definitely decided, owing to the hour set for the President's reception. The function at the Park will follow as soon after the reception as possible. Rev. D. P. Birnie has consented to deliver the address of the day.

POLICE COURT.

Judge De La Vergne Whiles the Hours Away and Reaps Reward.

Tom Nott and Fred Naylor, who were present when Mr. Spooner biffed Mr. O'Halloran on King street and allowed the two men to fight without interfering until one cried, "Hold, enough!" were before his Honor on a charge of misprision of assault. The evidence showed that neither of the men tried to stop the fight, and his Honor taxed Mr. Nott \$10 and costs and Mr. Naylor \$15 with conditions.

Ah Hao believed he was guilty of riding a bike without a headlight, and agreed with the Judge that \$2 was about right.

Jimmy Paauhau, an ordinary sneak thief, has moved to the reef. His trouble was his penchant for bicycles that were not his.

Joseph Seabury, who was charged by his wife with using threatening language toward her, took up a good deal of the Judge's time without being finished. The case is peculiar from the fact that the couple have continued to live together since the threatening language is said to have been used.

DR. HUSTLE'S TROUBLE.

Co. D Minstrels Preparing for a First-class Show.

In the performance given some months ago by the talented members of Company D the only thing lacking was dancing. With the exception of Overshiner there seemed to be no member of the company capable of getting out on the boards and shaking a shoe. Under the graceful management of Mr. Finney three of the boys have been drilled into the way of doing a song and dance that will be a feature of the show.

The afterpiece, which has been christened "The Hawaiian Medical Association," promises to be one of the funniest things seen since the old Kaimiloa.

The first part contains a number of new songs and sayings and things that will bring applause from the audience. In the olio Mr. Finney will do an entirely new club-swinging act, different in every respect from anything he has done here before.

Safe Deposit Boxes

WE HAVE A FEW MORE BOXES in our Safe Deposit Vault which are not yet rented. There are four sizes, varying in price from \$12 to \$30 per year. Any private papers left in these boxes are perfectly safe, as the vaults are fire-proof and are fitted with time locks, which makes them absolutely burglar-proof. There are two keys to each box, both of which are given to the party renting box, and should these keys be stolen they would be useless to bearer, as he could not open the box without our master-key being first inserted.

Parties leaving the Islands for their summer vacations will find it a convenient place to leave any valuables. Boxes can be rented by the month or year as desired. Apply to

W. W. DIMOND.

It has been the wonder of dealers here what becomes of all of the stoves imported to Honolulu. Every vessel arriving brings from one to eighty (ours is the eighty lot), and very few of the stove men have old stock.

By our introduction of the "Jewel" Stoves and Ranges the importation of stoves will diminish, at the end of two years. We say two years, because by that time all other makes of stoves will have burnt or rusted out and their places will be taken by

We believe our \$12 Jewel Stove is better than any on the market as it has the following features:

Large Wide Ovens, Quick Bakers.
Handsome Carved Ornamentation in latest design.

Broad Smooth Hearth Plate.
Heavy Covers and Centers.
Cut Long Center that will not warp.
Rods protected from contact with Fire.
Cut Top Plate that will not crack.
